Contact Hilary for more details

20th March 2017. – Next Meeting: (TBC)

7.45pm in the Gray Room (upstairs) at St. John's, Hills Road, Cambridge CB2 8RN

25/26th March 2017. – Cambridge Science Festival Event - Wandelbury

25th March 7pm

26th March 8am – 4pm

Wandlebury Open to all. We will have a stall and run a small mammal trapping session. Lots of other activities will be going on so with enough people we can all get a chance to go round the rest of the activities.

Please contact Hilary if you are willing to man a stall for a part of the day or help with the small mammal trapping.

29th March Madagascar - Land of Lemurs.

7.30 - 9.30pm.

Talk by Christine Newell. St John's Church, Hills Road, Cambridge, CB21EW

Cambridge Local Group. Wildlife Trust Talk series. All welcome. Entry fee is £2.50.

31st March 6.30pm The Mammal Society: Photo completion & Cranbrook Lecture given by Simon King

Robinson College, Cambridge This is a FREE event. Chance to look at the winning photo graphs, hear Simon King then catch up with Mammal Society members afterwards.

1st/2nd April - The Mammal Society Spring Conference - Robinson College, Cambridge

From 9am.

This is a great chance to get to the conference without the additional costs of travel and accommodation. Day delegate tickets are £85.

Please book through <http://www.mammal.org.uk/events/>
