

CAMBRIDGESHIRE MAMMAL GROUP

EVENTS – 2017

RSPB Sandy, Beds – Small Mammal trapping.

Saturday 11th November – setting up traps

Sunday 12th November– 8am – open traps.

Please contact Peter Pilbeam on pgp1@hermes.cam.ac.uk if you are able to help at this event.

This involves setting traps on the evening of the 11th, opening them the following morning and resetting some, and opening again at lunchtime. Our involvement is PR for us, training any of us who want/need some training on small mammal trapping (and hopefully identification), finding out which species of small mammals are present on the site, and being the small mammal 'presence' at the event for the RSPB.

Christmas Social.

Tuesday 19th December

The Group's Christmas Party in the Over Community Centre from 7pm with food at 7.30pm - about which you've all received an e-mail already. Tickets are £5 per head per member or guest - each includes a raffle ticket. We need donated raffle prizes - suggestions are wildlife-related books or artefacts, Christmassy stuff like cake, chocolate and booze, and the like.

The only cash needed will be for drinks and extra raffle tickets if wanted. Team quiz and team game (with prizes) included, and perhaps some photos on screen from members' trips and CMGp events.

To avoid any wasted food, please let me know you're (committed to) coming - Arrange £5 Payment with Peter Pilbeam on pgp1@hermes.cam.ac.uk
